Latest School Opening Information.

Please can I remind you all that social distancing in our lives away from school is highly important, to help keep the school from becoming infected, or there could be potential for bubbles to be closed, leading to further disruption to our children's education.

Please can parents continue to wear face masks when dropping off/picking up from school (unless you are medically exempt) and to maintain and respect each other by keeping a **1m plus** social distance from one another.

Start of the day

Please remember that you should please be dropping off children **FROM 8.45am onwards** every morning and that the school gates will be closed and locked by **9am**.

Willow Class: Year R and 1: Enter through the Main School Gate and then via the path to the school office and turn left through gate to EY outside area (where Mrs. Philpot will receive the children).

Maple Class: Enter through the Main School Gate and then enter via double gates to playground and walk round to Maple class outside door.

Oak Class: Enter through the Main School Gate and then enter via the path to the school office and turn right through gate to field and enter Oak class through rear, outside classroom door.

Collection at end of day:

Only one parent/carer from each family to collect child(ren) from the school entrance gate at the designated time. Families are asked not to gather at the entrance, or if they must, to keep to current social distancing regulations. A class teacher or TA from each bubble will accompany children to their parents. **Please could parents pick up their children and leave the school site as safely and promptly as you can, to avoid gatherings.**

Willow Class parents and carers:

3.05pm finish. Will use Main School gate to enter the playground where they should wait on the white line as indicated. Please ensure that there is 1m plus between households.

Willow Class children:

3.05pm finish. Will come out through their playground gate and be dismissed individually to their parents/carers in the playground. Please ensure that there is 1m plus between households.

School Road · Amberley · West Sussex · BN18 9NB

Older siblings from Maple and Oak Classes:

3.15pm finish. Will come to the playground from the back of the school and will join their family once the youngest child has been dismissed. Please ensure that there is 1m plus between households.

Families will leave the playground through the playground Small Gate at the end of the day, in the usual one-way system.

If you have any queries or concerns about your child's learning or behaviour please can you establish contact with your child's Class Teacher in the first instance.

Yours sincerely

**Paul Armitage
Head of School**
